**PETER RILEY SERVICE STATION  
95 MULGA ROAD OATLEY**

THE ORIGINAL GARAGE WAS BUILT BY CLARRIE WRIGHT ( A CANADIAN) IN 1948 ON THE SITE OF A GOAT DAIRY.

THE BUSINESS WAS SOLD TO ROGER RILEY IN 1954. (ROGER'S FATHER ALSO WORKED THERE FOR SOME TIME)

ROGER RILEY SOLD TO HIS SON PETER IN 1979 AND THEN MOVED TO NORTH QUEENSLAND.

The above information obtained from Peter Riley in conversation with Maree Benjamin

Clarrie Wright and his wife Eileen (an Australian) lived at \_\_ Neville Street, Oatley, during the 1940s. At some stage during this time, Eileen's sister, Mrs Mason, and her daughter Margaret Mason came to live with the Wrights for a while after Mr Mason had died in WW II. Margaret attended Oatley School during that period.
