Newsletter No. Week 8

Dear Parents,

Year 5 children with Mrs Fellows, had lots of fun last Thursday. They were at the Aussie Sports Day at Olds Park. Twelve schools took part and everyone enjoyed themselves. It is clear that Aussie Sports works and will become more a part of our school sports program.

Thank you to all the people who have been helping to make our school a better and safer place. Recent contributions to school welfare include replacement of the toilet block windows with safety glass, filling in pot holes in the asphalt, removal of dead trees and dangerous limbs and electrical work.

Congratulations to the Dance and Recorder groups who performed so well for Otley West last week.

Young Achievers : Congratulations are due to the many children who have recently done very well in various field. They include:

- *** Maths Competition - Our Year 5 and 6 children achieved very pleasing results in this year's competition.. There were 44,000 entries from across the state. We received two distinctions (Iain Gray and Lee Robinson) and 26 credits of which six were from Year 5.
- *** Several children took part in the World Vision 40 Hour Famine, and raised \$188.47 for this excellent cause. The children were - Emily Symons, Katie Van Cleave, Matt Van Cleave, Darren Bacic, Kim Jackson, Alesha McCleary and Matthew McCleary.
- *** Brett Thomas of Year 4 is an accomplished ice hockey player. He has been selected to represent New South Wales in the Under 14 Australian Championship. He is the youngest player to be selected for N.S.W.

Well done, all of you!

School Development Day - The school is planning a submission for a school development (student free) day. The theme will be to study the implications for the school of the new Mathematics Curriculum, to be released soon. The proposed date is Thursday, 19th November. Parents will be invited, indeed encouraged, to take part in this day which should be of great interest. On the slip below I invite your comment on this proposal and/or an indication of your wish to attend.
