Dear Parents,

We are looking forward to seeing everyone at least once or twice during Education Week. You are welcome at the school any time but this is a special occasion and so you are specially welcome. Please check the updated program for the latest details.

A major maintenance program has begun at the school. It involves re-roofing several buildings, an outside repaint and a number of other essential jobs. The cost is \$137,000, so by the time it is done we should be looking pretty good!

Another Oatley West Achiever came into prominence last week. Mrs Fatouros gained a position on the First Infants Promotions List following her inspection. Congratulations, Cherryll!

A jolly Movement Group dinner was held on Saturday night. It was good fun and good Chinese food and helped to raise money for the girls' costumes at the Schools Spectacular. Thanks to Mrs Tina Auciello for organising the night.

You may have noticed the lovely dried arrangement in the foyer of the administration block. It was done by Mrs Gasnier from funds raised by the Primary Club. And it looks great!

A serious and urgent request to people who collect children at 3.00 pm and wait with them at the school till 3.30 pm. The Adventure Playground is a dangerous place, especially for unsupervised young children. Please, keep the children off. We don't want another bad accident there.

Julian Sheen,

Principal
