Newsletter No. Week 9

Dear Parents,

The parents of this school are known for their drive and originality. Another remarkable example of this was the successful antique valuations day held in the school hall on Saturday. There was a great deal of interest shown when so many people came up with their antiques and their money. Well done, Janet Willis, and your several colleagues for your idea and your effort. Thank you for the money you have raised for the school. Remember, there will be another valuation day plus an auction in November.

The Neighbourhood Watch group will be busy at the school next Saturday morning. They will be able to engrave your child's bike with name ^{and} your driver's licence number. Come between 9.00 am and 12 noon.

There was a good response to the suggestion of a parents' workshop on computers. It is intended that this event be held early next term.

Thank you to the people who have returned Information Sheets. It is important for your children's sake as well as for us that we have accurate information.

I remain anxious that the school playground not be used after school or at week-ends unless by parents or other authorised groups. This is best for school security.

The District Athletics Carnival will be held this week. Field events are at Lugarno Public School on Tuesday, from 11 to 3.30. Track and ball games will be on Friday at Jubilee Oval from 9.30 to 3.30. Come along and cheer our team. Best wishes to the team for good competition and thank you to Mr McDonald for doing all the organisation

THE INFANT ARTS PROGRAM

For the Craft lesson this Thursday, the children will be making sock puppets.

Each child will require one sock (the more colourful, the better) and any bits and pieces you may have, suitable for sticking or sewing to create eyes, noses, etc.

Sequins, scraps of material, lace ribbon or stuffing, would all be useful in the creation of our puppets.

Thank you,

Mrs Mary Moffatt.

CRAFT GROUP NEWS - Thank you to everyone who worked so hard to get things ready for the stall on Saturday. The raffle prizes were greatly admired and about 150 tickets have already been sold! We also sold quite a few Christmas decorations.

A Special thank you to Gladys who came to the valuation day and offered off-cuts of material to the craft group. Her daughter was at Oatley West in 1968.

The group will meet next Tuesday, 22nd September, at 9.30 in the hall. Please bring unfinished pinecones and foam balls. We will be doing cross stitch on a variety of items. So you will need to bring an embroidery needle and a pair of scissors. Orders taken during Education Week, will also be ready to be picked up on that Tuesday, please come and get them!
