Week 6

Dear Parents,

We were very fortunate through the week so acquire a large amount of carpet in a nearly new condition. This will be used to carpet several rooms where the present carpet squares are either badly worn or too small. I am looking forward to having the carpet laid in the near future.

The Year 5 campers returned safely on Friday after an action filled time at Myuna Bay near Newcastle. The weather was changeable to say the least but it did not stop the children enjoying their stay and having lots of fun.

Here are two dates for your diary -

Tuesday, 24th November - Computer Interest Group at 7.30 pm in the Administration Building. Discussion will include directions for 1988.

Saturday, 28th November - Working party at the school. Bush re-generation, commencing at 9.00 am. Come and join the fun.

Julian Sheen.
