

Newsletter No. Week 7

23rd November, 1987

Dear Parents,

The Maintenance Program at the school costing nearly \$140,000 is just about complete and I think you will agree it was money well spent. Especially with the painting making such a big difference. In addition, the School Club has paid for internal paintwork on the toilet walls with the result that the toilets are much lighter and brighter.

The Oatley West School Magazine "Bushfire" goes on sale this week. You will need 50c. to buy a copy. There is a wide range of children's writing. Buy your copy early so you don't miss out on this limited edition.

I am concerned about children giving Christmas gifts at school. This can cause misunderstandings and unhappiness. It is best done outside school, amongst friends at home. Exchange of Christmas cards is not so discouraged.

I have information about holiday music camps for children. If you are interested, please contact me. Also a cricket bat has been found in the vicinity of the school. Again, see me if you wish to claim it.

Julian Sheen, Principal.

P & C NEWS

A working bee will be held in the remnant bush area next Saturday, 28.11.87 from 9.00 am. In addition we hope to give the school grounds a general tidy up in preparation for the coming end of year functions. It is hoped to make the effort a full day family affair, although we will be grateful for any time people can spare to help us. The school barbeque will be available for those who wish to make use of it at lunchtime.

Volunteers will need to bring vish saws, drop sheets and plenty of muscle power.

The December meeting of the P & C will be held on Tuesday, 8th December, at 7.30 pm in the school library.

Steven Bell, President
