Hi Roger - I found 'somewhere' on the Oatley Heritage & Historical Society a small section snipped from the left hand side of this photo showing Alys Cole and Minnie Cole and I have sent the full sized version, separately. The full sized version I THINK was provided by John & Dianne Siddons in November 2007. Some of the following information may be of interest...

Following is part of an email I sent to JOHN & DIANNE SIDDONS and TERRY & JAN WALKER in 2012.

Hi John, Dianne, Jan and Terry - Thank you for taking the time to help towards finalising this "project". Would you mind giving the photograph one more "viewing"?
